

Our mission is to encourage and equip public school students in Horry County by teaching the truth found in God's Word. **Released Time Bible Education** is the only legal means by which Christian education is allowed during the public school day for 3 reasons: students must have parent permission; classes are held off campus; and no government funds are used to support Released-Time Bible classes. As a 501(c)3 non-profit, interdenominational organization, we are supported by generous donations from individuals, churches, and businesses.

## INSIDE THE CLASSROOM

As Fall approaches; students, teachers and parents are falling into the school routine. One routine that is very different for many students, is leaving the campus to take a class on the Truth's of Scripture through CSM Released-time Bible class.

As each CSM teacher began picking up students at their respective schools, and busing them to their host facility, they started with "get to know you" and "team building" activities along with class bible outlines for the semester. In the St. James middle classes, students enjoyed competing in the "Picture Perfect" team activity. The goal was to put together their team's puzzle (without the cover picture) and then be the 1st to reveal the bible story depicted. It was a great competition with a treat rewarded to the winners.

Many of these students are brand new to the Bible and a good number are taking the Bible class again to become more in-depth in their Bible knowledge. Several students had the opportunity to relay that message of Bible knowledge to over 300 guests during the CSM Conway Gala held at the Peanut Warehouse venue. A number of Aynor middle and high school students gave their testimony of how CSM has contributed to their learning about Christ and what He means to them. One young man stated that the Lord was leading him to give his testimony because the Bible says not to hide your light under a bushel and it was important to tell others about Jesus. It was apparent why each table was supplied with a box of tissue! And this is only the beginning of the school year!

CSM students give their testimonies during the Gala on how the class has been instrumental in pointing them to Christ.

Not only did CSM students give their testimonies but they provided entertainment and waited on the guests.

Aynor resource officer, Police Chief Dale Long, explains the difference in behavior that he observes from students taking the Released-time bible class.
