Our mission is to encourage and equip public school students in Horry County by teaching the truth found in God's Word. **Released Time Bible Education** is the only legal means by which Christian education is allowed during the public school day for 3 reasons: students must have parent permission; classes are held off campus; and no government funds are used to support Released-Time Bible classes. As a 501(c)3 non-profit, interdenominational organization, we are supported by generous donations from individuals, churches, and businesses.

INSIDE THE CLASSROOM

We are so thankful for a wonderful start of the new school year. Classes are going well and students and teachers are in their new routines. Bible lessons are being taught and hearts are receptive to the Message.

Teachers are now well into the book of Genesis; starting with creation and working their way to the Exodus and more.

their creative side with their
posters on creation.

North Myrtle Beach Middle students learned the lesson about the Tower of Babel, demonstrating their tower building skills and its fall. Along with their Bible lessons they also memorized scripture. The students of NMBM recently memorized Psalm 150: 6; "Let everything that has breath praise the Lord. Praise the Lord." A perfect scripture during this season of thanksgiving.

At the **North Myrtle Beach High** location, **Mr. Renfrow** was pleased to welcome **Ms. Lindsay** to the teaching team. Mr. Renfrow expressed: "Through Ms. Lindsay's contribution, we have implemented daily warm-ups with a different theme for each day. These are *Mindful Monday, Talking Tuesday, In the Word Wednesday, Thoughtful Thursday,* and *Fun Friday*. These have been a constructive and purposeful start to each class period that the students are enjoying." The favorite lessons for these students so far, has been about Moses and the story of Joseph as a close second! As one student wrote; "What I've taken away from this class is more details of the story of God and more knowledge than I knew before." *M*

Mr. Spivey and Ms. Prunier finished up the lesson on *The Wilderness* with students at their **SJMS and SMS** locations with Bible lessons, review games, and fill-in-the-blank white board activities. As students continue to progress through this first semester, **Ms. Prunier** expressed how students were beginning to volunteer to pray each day. "It is such a blessing to see their spiritual growth & so refreshing to hear what God puts on their hearts, as well as, the love, concern, and trust they have for each other", she said.

INSIDE THE CLASSROOM cont.

Aynor Middle students were given the opportunity to be a witness to the entire Aynor community by walking in the Aynor Harvest Hoedown Parade. The students carried signs with Bible verses and they were able to stop by both young and old to give them candy. Along with the candy, they reminded each person that God loves them. Ms. Skipper exclaimed, "It was so beautiful!" Later on, Ms. Skipper bumped into a parent of one of her students. The parent explained to Ms. Skipper, that although they attend church multiple times throughout the week, that her daughter is learning so much more by attending the Bible class. She expressed how thankful she was for the CSM curriculum and that it teaches all of us.
